

Sinclair  
Broadcasting is on  
the verge of the  
most heinous and  
freedom- threatening  
abuse of the public  
airwaves in our  
history. Their  
decision to force  
sixty two stations  
to air a a campaign  
hit piece against a  
presidential  
candidate. This is  
NOT NEWS!! This is  
a disgusting example  
of partisan  
hijacking of public  
airwaves. Sinclair  
must be sanctioned  
and their licenses  
suspended if the  
proceed with this  
travesty. Thanks  
you. Ken Neart
